

Dr Joseph
Varga

Dr Joseph Varga MBBS; MD; MRCP; FRACP

is an Internal Medicine Specialist with interest in illnesses of clientele above the age of 18 years, with special interest in geriatric care and chronic disease management.

Dr Varga carefully analyses information to determine the diagnosis and educates patients regarding conditions and treatment options, whilst strictly maintaining confidentiality and maintaining records. He involves himself in collaborative research and works in the community, in the Ashmore, Burleigh and Coolangatta MyHealth clinics on the Gold Coast.

He has a passion to give Internal Medicine a rebirth and make it a force against medical problems of today and in the future.

Dr Joseph Varga undertook his medical training in India and has worked in several countries such as the Middle East and UK. He then relocated to Australia and gained his qualification in Internal Medicine and moved to the Gold Coast in 2016 after working in the public system in New South Wales and Queensland.

To arrange an appointment or referral, please contact MyHealth Clinic in Burleigh by phoning 07 5669 1120 or faxing 07 5669 1129.
