Professional background

Dr Charles Chou is a board-certified Specialist Pain Medicine Physician accredited by the Faculty of Pain Medicine under the Australian and New Zealand College of Anaesthetists. He also participated in the pilot Procedure Endorsement Program innovated by the Faculty of Pain Medicine to solidify his clinical expertise in a wide array interventional management of pain, such as nerve blocks, epidural treatment, joint injections, radiofrequency ablations, spinal cord stimulations, etc.

Dr Chou is also Rehabilitation Medicine Consultant Specialist board-accredited by the Royal Australasian College of Physicians, Faculty of Rehabilitation Medicine. Dr Chou embarked on his journey with Rehabilitation Medicine at the Royal Brisbane and Women's Hospital. He subsequently worked in various different hospitals throughout Queensland, including The Prince Charles Hospital, Gold Coast University Hospital, Townsville University Hospital and Brisbane Mater Hospital.

As a dual-specialist, Dr Chou is able to utilize the combination of his clinical expertise in both fields to deliver gold standard interdisciplinary pain management care and programs.

Dr Chou delivers his service from Northern Gold Coast through to Northern New South Wales.
